Fellow Federal Workers:

The Combined Federal Campaign is our annual opportunity to respond to urgent needs in our communities, our nation and our world. Through your contributions to specific CFC agencies, you offer vital support to programs that touch both our lives and the lives of many around us, on a daily basis – all year round. The generosity that has been traditionally demonstrated by Miami Valley federal employees through the CFC has made our campaign one of the largest and most respected in the nation.

Giving freely to those in need, to make a significant and lasting impact in the lives of others, is a great American tradition reflected most obviously in federal employees. Our campaign theme this year is "The Power of You!" Each of you, by your generous caring and sharing through CFC, builds the foundation of the combined "The Power of Us!" and together all things are possible!! Your contributions make a double impact – by directly providing needed help, and by lifting people's spirits through communicating that they are not alone in facing life's challenges.

In this Contributor's Information Guide, you will find listed those agencies that provide this vital support, including over 280 located right here in the Miami Valley and the surrounding area. Through CFC, your contributions go directly to those agencies that you designate – so you are able to make a personal statement of support to those agencies in which you have the strongest commitment, and in response to specific areas of needs.

I encourage you to participate generously in the CFC this year. You are a partner in making a most positive impact in the lives of your neighbors both locally, across our country and around the world! Thank you for your support of this year's Miami Valley Combined Federal Campaign.

Douglas L. Bowers, Senior Exec Service
2005 Chair, Miami Valley CFC

THE CFC: ITS STORY AND MISSION

The mission of the CFC is to support and to promote philanthropy through a voluntary program that is employee-focused, cost-efficient and effective in providing all Federal employees the opportunity to improve the quality of life for all.

What is the CFC?

The CFC is the only authorized solicitation of employees in the Federal workplace on behalf of charitable organizations. It continues to be the largest and most successful workplace fundraising model in the world. With a tradition of commitment to the community through the selfless efforts of Federal employees, the CFC has its roots in the many charitable campaigns of the early 1960's. Seeing a need to bring the diversity of fundraising efforts under one umbrella, the CFC was created – one campaign, once a year. In 2004, Federal employees around the world raised more than $256 million for charitable causes.

Structure of the CFC

The CFC is made up of local campaigns that raise funds in Federal workplaces across the country and around the world. Local charities that serve the local area or adjacent counties apply directly to a Local Federal Coordinating Committee (LFCC) – which serves as a "Board of Directors" of the local CFC. The LFCC is composed of Federal employees and representatives of labor unions with Federal employees as members. Decisions regarding the inclusion of charities in the local campaigns are made by the LFCC. LFCCs are also responsible for the oversight of the local CFC in conformance with the CFC regulations and policies promulgated by the Office of Personnel Management (OPM). All organizations participating in the campaigns must meet strict public accountability criteria set forth in OPM regulations.

Every year, the LFCC selects one of the voluntary organizations involved in the local CFC to serve as the Principal Combined Fund Organization (PCFO), whose job it is to manage the campaign and serve as fiscal agent. OPM sets strict requirements for this role. Annual audits are required of the PCFO by an independent CPA.

OPM is responsible for regulating the CFC, providing guidance and oversight nationwide, and also has the authority to conduct compliance audits on any CFC local campaign fiscal records.

The CFC Brochure

This brochure consists of National, International, and Local organizations. National and International organizations are approved by OPM, and Local organizations are approved by the LFCC's.

Each organization's brochure information includes the following: organization's name and CFC code number, statement of purpose, phone number, website address, legal name of the organization in parentheses if it is doing business under another name, the employer identification number (EIN), and its fundraising and administrative expenses as a percentage of total support and revenue. The EIN provides donors another point of reference for obtaining information about an organization's finances from the Internal Revenue Service (IRS) (1-877-829-5500). Please note that some organizations may be covered under an umbrella organization's tax exemption status and may not list the EIN. Religious organizations are exempt from the requirement of having an EIN.

Under OPM regulations, if an organization's administrative and fundraising expenses exceed 25 percent of total support and revenue, it must certify that the expenses are reasonable under the circumstances and include a formal plan to reduce such expenses below 25 percent. Organizations with an asterisk following their administrative and fund-raising expense percentage have expenses above the 25 percent level, and have provided OPM with a satisfactory explanation as to why the amount of expenses is reasonable under the circumstances and a plan to reduce these expenses below 25 percent. Because many circumstances can affect this rate, donors who may have questions are urged to contact the organization.

Interested donors may also obtain information about a charity's finances and compliance with charitable organization standards of accountability by contacting the Better Business Bureau's Wise Giving Alliance (www.give.org). For general information about trends in giving and volunteering or data on the nonprofit sector, donors may contact:

USAFreedomCorps (http://www.usafreedomcorps.gov/), the National Center for Charitable Statistics (www.nccs.urban.org), or the American Association of Fundraising Counsel (www.aafrc.org).

Types of Organizations Listed

Organizations listed in the CFC brochure are either affiliated with a federation or are "unaffiliated". Federations are established for purposes of supplying common fundraising, administrative, and management services to its member organizations. Charitable organizations participating in the CFC as a member of a federation may pay dues or fees to that federation as a service charge. For additional information on a particular federation and any dues/fees paid by its members, either contact the federation, its members, or review the federation's annual report.

If you would like more information about the finances, services, benefits or programs an organization provides, you may contact the organization directly using the information provided with their listing in this brochure.

What are the costs of the campaign?

Last year, approximately 9.7% of the funds raised nationwide were spent on printing materials, training volunteers, auditing contributions, and other administrative expenses. All local campaign costs are reviewed and approved by the LFCC governing the local campaign. On average, this cost is low compared with other fundraising campaigns; therefore, every dollar you pledge goes a very long way toward helping others.

What is the payroll deduction option?

Payroll deduction makes it convenient for you to give by letting you spread your contribution across the entire year. Last year, more than 90% of all CFC funds raised were given through payroll deduction. Payments on payroll deduction pledges begin on the first pay period beginning in January and conclude with the last pay period beginning in December. Because there is no simpler way for you to make good things happen for so many people, payroll deduction helps you care for your community and your world.

Can I specify which organization will receive my contribution?

By designating where your CFC contribution will go, you ensure that your donation goes to meet the needs that you feel are most important. You may designate the organizations of your choice where indicated on your pledge card. Additional designations must be completed on a second pledge card. Except for documented expenses for the operation of the local CFCs and uncollected pledges, all contributions are distributed as designated.

You cannot designate an organization that is not listed in this brochure. Adding organizations not listed, or "write-ins", is prohibited and donations to such organizations cannot be accepted by the CFC.

How do I designate a federation, or alternatively, one of its members, to receive my contribution?

If you wish to designate all or some portion of your contribution to a federation, please record that federation's corresponding code number on your pledge card. The federation name will be listed at the top of the list of the federation's member organizations. Contributions designated to a federation will be shared in accordance with the federation's policy. If you wish to designate all or some portion of your contribution to a federation member organization, please record that organization's corresponding code number on your pledge card.

How do I designate an unaffiliated organization to receive my contribution?

You may wish to designate to a specific organization or organizations not affiliated with a federation (unaffiliated organizations). If you wish to designate all or some portion of your contribution to an unaffiliated organization, please record that organization's corresponding code number on your pledge card.

What if I choose not to specify an organization to receive my CFC contribution?

All funds contributed to the CFC that are not designated to a specific organization or federation will be distributed to all organizations listed in the CFC brochure in the same proportion as they received designations. Organizations that do not receive designated dollars *cannot* receive any donations.

International General Designation Option

If you wish to have your contribution distributed proportionately among all international organizations that received designated gifts, you may do so by recording the letters **IIII** on your pledge card.

Do I have to give through the CFC?

No. Participation in the CFC is strictly voluntary.

Coercion is forbidden. You have the right not to be improperly influenced regarding your decision to give or not to give through the CFC. Practices not permitted include, but are not limited to: supervisory solicitation of employees supervised, setting of 100% participation goals, providing and using contributor lists for purposes other than the routine collection and forwarding of contributions and installment pledges, establishing personal dollar goals and quotas, and developing and using lists of non-contributors.

If you prefer, you may donate to the CFC anonymously by placing your confidential gift in a sealed envelope.

Civilian employees may register complaints about coercion with the LFCC and contact their personnel offices; military personnel should contact their commanding officers.

Will I receive a receipt for my contribution?

Donors may keep a copy of their pledge card as a receipt of their pledge. A Federal employee who makes a one-time (cash, check, or money order) contribution of $250 or more and those who make a payroll deduction contribution of $250 or more *per pay period* to a single organization in the CFC should consult a tax adviser to determine if additional verification of the donation is required by the IRS. Such verification can be obtained by contacting the local CFC office.

HOW MUCH SHOULD I GIVE?

Many ask this question. The decision to give and the amount is up to each individual. This guide simply says:
Generous personal giving is needed to support many voluntary agencies in the CFC.
Payroll deduction makes generous giving possible for most of us. Please give as much as you can.

SHARING IS IMPORTANT!

Pillar Giver
An individual who contributes one hours' pay per month over a year will receive the custom-designed CFC Coffee Mug.

Double Pillar Giver
An individual who contributes two hours' pay per month over a year will receive the CFC Coffee Mug and a Travel Umbrella.

Military: Show amount to be deducted each month (minimum is $2.00 a month), times 12 = total gift.

Civilians: Show amount to be deducted each pay period (minimum is $1.00 per pay period), times 26 = total gift.

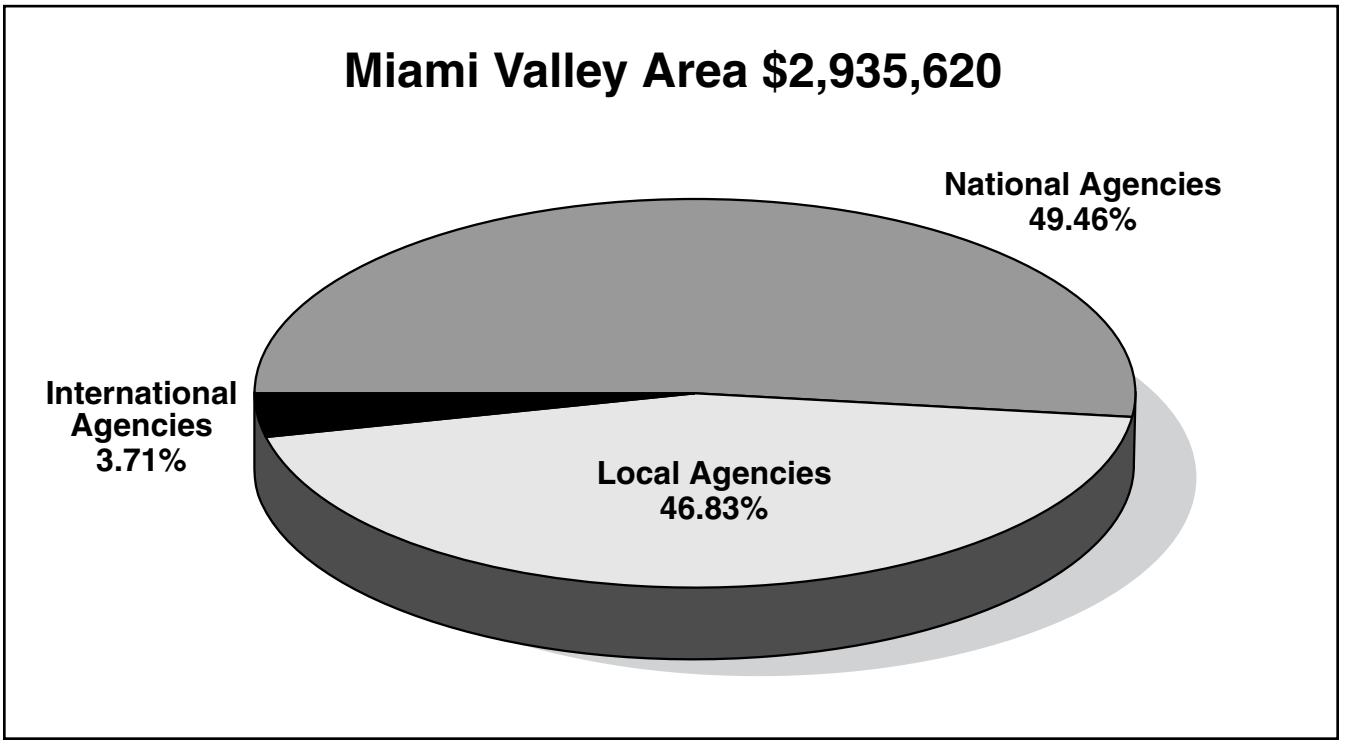
2004 Combined Federal Campaign Results



THE BEST WAY TO CARE

There are millions of reasons to give to the CFC, and each one has a name and face. Helping people is what the CFC is all about, and giving to the CFC is the best way for federal employees to change the lives of people in need. Your gift to CFC is strictly voluntary. No one can force you to give. It's your choice. But while you're making your decision, think about some of the people your contribution can help...

- *A **$26** contribution removes 60 pounds of trash from shorelines and underwater areas, catalog information on the amount and types of debris found, identify sources, and help educate people to change their habits.*
- *A **$52** contribution buys 13 home delivered meals for a homebound senior citizen.*
- *A **$104** contribution buys 5.5 hours of disaster preparedness planning for our community.*
- *A **$212** contribution assists a member of the Armed Forces serving abroad in handling a crisis back home.*
- *A **$390** contribution buys 8 hours of support services for a domestic violence victim and her children.*
- *A **$520** contribution helps to purchase supplies and equipment to support a student water quality monitoring project.*
- *A **$1,200** contribution provides an in-school scouting program for 25 youth.*
- *A **$2,000** contribution assists one person with the purchase of a wheelchair or leg braces.*

Answers To Frequently Asked Questions

WHAT IS THE ADMINISTRATIVE COST OF OUR COMBINED FEDERAL CAMPAIGN?

For 2004, the total administrative and fund-raising expense for the Miami Valley CFC was 6.5%.

ARE CONTRIBUTIONS TAX DEDUCTIBLE?

Yes. For one-time donations under $250 and payroll deduction pledges under $3,000, your payroll stub or canceled check is acceptable to the IRS. For one-time cash/check donations over $250, you should contact your CFC office (257-0292) to arrange for certification of the donation that is required by the Internal Revenue Service (IRS).

WHY SHOULD I SUPPORT THE CFC?

Because each agency has been certified by a committee of Federal Employees, ensuring its legitimacy. You can give continuously throughout the year. A unified Combined Federal Campaign can raise more funds for charitable agencies than can be raised through unorganized direct giving. CFC protects the Federal employee from year-round in-the-workplace solicitation by charitable agencies.

WHY NOT JUST GIVE DIRECTLY TO THE AGENCIES?

There are several reasons that the CFC is among the best ways to give to charity. All agencies and federations are carefully screened and meet strict but fair requirements. Giving through the CFC allows you to use payroll deduction, thus increasing the amount of money you can afford to give to your favorite charity. Undesignated money is distributed according to the percentage of money designated to the agencies. Therefore, your designated gift allows your favorite agency to receive a percentage of the undesignated money. The fact is that most of us are too busy to research charities and make contributions. CFC makes it easy for you.

I NEVER USE AGENCY SERVICES, SO WHY SHOULD I GIVE?

You never know when you, a member of your family, or a neighbor may need a CFC agency service. Job loss, loss of a loved one, illness, disabilities, family problems, mental disorders and the problems of growing up and growing old know no boundaries. Your gift helps ensure that services are available when they're needed. Anyone who has been involved in Scouting, taken a Red Cross first aid course, learned to swim at the YMCA, or breathed cleaner air has been served by a CFC agency.

WHAT IS THE CONTRIBUTOR'S INFORMATION GUIDE?

The Contributor's Information Guide contains a listing of all the agencies that applied and met the government criteria. It includes information on the services they provide and the four-digit agency identification code number. The Contributor's Information Guide should be available to every employee in the organization.

WHO DETERMINES WHERE MY CONTRIBUTIONS GO?

You do! If you designate, your gift MUST go to that charity. By regulation, all designations must be honored. Write-ins are not permitted.

WHAT IF I DO NOT DESIGNATE?

Undesignated donations will be distributed among the charities in the same proportion that the charities received designated contributions.

WHAT HAPPENS IF I COMPLETE THE HOME ADDRESS SECTION ON THE PLEDGE FORM AND CHOOSE TO HAVE IT FORWARDED TO THE AGENCY I DESIGNATED?

If you complete the appropriate section on the pledge form, only your name and address will be forwarded to the agency(ies) you designate (please fill out the form carefully with a legible, complete address). Your contribution amount cannot be released to the agencies. Many times they choose to acknowledge your contribution, and may add your name to their mailing list. It is up to the federation or agency to acknowledge your gift, and remember that it may be well after the campaign because of the timeline of the quarterly payouts they receive from CFC. Charities that are part of CFC agree to treat your name and address as confidential; neither they, nor CFC, will ever sell or release your name to any third parties or vendors.

ISN'T THE CFC THE SAME THING AS UNITED WAY?

While the campaigns are usually conducted at the same time, the CFC Campaign and the United Way Campaign are two separate and different campaigns. Only federal employees participate in the CFC, and they may contribute to over 1,800 agencies which include local United Way agencies as well as federations and unaffiliated agencies on the local, national and international levels.
